

Take the Highway Safety CHALLENGE! Do your part to help prevent highway fatalities by:

- Buckling up
- Avoiding distractions
- Sharing the road
- Obeying speed limits
- Driving drug-and-alcohol free

For more information on the Virginia Highway Safety Challenge and ways to avoid becoming Virginia's next traffic fatality, visit www.safeVAhighways.org.

Hot Spots for the Fredericksburg Region June 6 – June 12, 2010

Interstate 95 Traveler Alert

Interstate 95

Monday – Thursday, 7 a.m. - 3 p.m. and **Friday**, 7 a.m. – 12 noon; crews will be replacing the overhead sign structures on I-95 south at the following locations.

- Exit 140 (Rt. 630/Stafford)
- Exit 126 (Rt. 1/Spotsylvania)
- Exit 118 (Rt. 606/Thornburg)

One lane will be closed in the work zones

Stafford County

Route 1

Sunday – Thursday, 8 p.m. – 5 a.m.; Motorists will be restricted to one lane on both north and southbound Rt. 1 between Rt. 697 (Derrick Lane) and the ramp to I-95 north at Rt. 610. Crews will be milling and paving in this area.

Route 630 Bridge over CSX Railway (On-going Construction Project)

Monday – Friday; motorists should be alert to construction equipment entering and exiting Rt. 630 at the bridge over the CSX tracks. Crews are clearing land and constructing temporary travel lanes at the bridge approach. The bridge replacement project is expected to be complete in September 2011.

Route 610 (Garrisonville Road) - Ongoing Construction Project

Monday– Friday; motorists are reminded that eastbound traffic has been shifted to temporary travel lanes on Rt. 610 near Joshua Road. Be alert when traveling this active work zone; construction crews and equipment are entering and exiting the roadway. Flaggers and signs are in place to direct motorists to the new lanes and through the work zone. This is in connection with the Route 610 widening project.

Spotsylvania County

Route 17 (Mills Drive)

Motorists are reminded to expect delays and to be alert to changes in traffic patterns on Rt. 17 at Germanna Point Drive during both the day time and overnight hours. Crews are working to complete the Rt. 17 entrance to the new Spotsylvania Regional Medical Center. The work is being performed by the Silver Companies.

Route 208 (Spotsylvania County Bypass Project Phase II) (Ongoing Construction Project)

Motorists should be alert to construction crews and equipment entering and exiting Rt. 208 from just west of the TA River to just east of the PO River near Lake Anna. Phase II of the Spotsylvania Courthouse Bypass Project is expected to be complete in February 2013.

Spotsylvania County - continued

Route 639 (Bragg Road/Fall Hill Avenue) -Ongoing Construction Project

Motorists are reminded that Bragg Road between Route 3 and the entrance to Central Park is an active work zone. Motorists should be alert to construction crews and equipment in the area and be prepared for changes in traffic patterns within the work zone. The Bragg Road entrance to Giant remains only open to right turns in and out. Motorists traveling on Route 3 in vicinity of Bragg Road should also expect delays and changes in traffic pattern changes.

King George County

Route 301

Thursday, 7 p.m. – 5 a.m.; motorists will be restricted to one lane on Rt. 301 north in the vicinity of Rt. 607 and Rt. 625. Crews will be paving in this area.

Caroline County

Interstate 95

Monday – Thursday, 10 a.m. – 7 p.m.; crews will be replacing guardrail on I-95 north between the Hanover/Caroline C.L. and Exit 104 (Rt. 207/Carmel Church). This is a mobile operation and motorists will be periodically restricted to one lane in the work zone.

Route 207/652 (On-going Construction Project)

Crews continue work to improve the Rt. 207/Rt. 652 at the I-95 Interchange. Motorists should be alert to construction crews and equipment and traffic pattern changes. Traffic is currently restricted to one lane in each direction on Rt. 207 and motorists are experiencing delays especially during the morning and evening rush hours. This traffic pattern will remain in place until late August. The project is expected to be complete by November 2011.

City of Fredericksburg

Kenmore Avenue

Motorists are reminded that Kenmore Avenue is closed to traffic at William Street. For extensive excavation work. Traffic is being detoured around the intersection via Hanover Street, Littlepage Street, and other neighborhood streets in the vicinity of the intersection. The work expected to be complete on Friday, June 11.

Route 1

Tuesday – Friday, daylight –dusk; motorists will be restricted to one lane on northbound Rt. 1 between Mary Washington Blvd and College Avenue while crews continue work on the UMW pedestrian bridge. There will be no lane closures in affect on weekends.
